

Ailevon Pacific Announces Key Staff Additions

Atlanta, GA., August 7, 2017 – Ailevon Pacific Aviation Consulting LLC is investing in its future by investing in its staff. The firm is pleased to welcome aboard two new consultants, Joel Van Over and Carrie Kenrick.

Joel Van Over has joined the firm as a Senior Consultant. Joel has more than a decade of experience in the airline industry, working for both US Airways and American Airlines. He has held positions in Strategy & Long-Range Network Planning, including as Senior Manager of International Route Planning. He brings to Ailevon Pacific a well-rounded understanding of the airline business, and also an intimate knowledge of how airlines make route planning decisions.

Carrie Kenrick joins Ailevon Pacific as a Consultant. Most recently, she worked in Business Development at Southwest Airlines, on the Commercial Initiatives team. Carrie played a pivotal role in the creation and development of Southwest's five-year strategy and capacity plan. She also has extensive experience in Capacity Planning, Network Strategy and Customer Insights at Southwest.

"We are thrilled to add Joel and Carrie to the Ailevon Pacific team," said Brad DiFiore, Managing Director, "They have both been standout performers throughout their careers. We are honored that they have chosen to join our firm."

Added Oliver Lamb, Managing Director, "Ailevon Pacific clients now stretch across four continents. The addition of Joel and Carrie demonstrates a major investment in our firm's future. We are excited to launch the next phase of our company's history with the best team in the business."

Ailevon Pacific Aviation Consulting is an aviation industry consulting firm, providing advice to Boards, CEOs, Business Development Managers, and other senior managers to help define strategy, identify new opportunities, and build better businesses. Serving over 50 airports and related entities throughout the Asia Pacific region, the Americas, Europe, and beyond, Ailevon Pacific provides tailored, innovative, and highly insightful analysis to our clients. Across these geographies, Ailevon Pacific has worked with leading airports, tourism bodies, national, state/provincial and local governments, and other private and public sector clients.
