

## Ailevon Pacific Welcomes Aboard Mark Raker

**Atlanta, GA., March 22, 2021** - Ailevon Pacific Aviation Consulting LLC is pleased to announce that Mark Raker has joined the firm as a Director. Mark will be leading diverse aviation development projects for both domestic and international clients. He will be based in Jacksonville, Florida.

Mark has 30 years of aviation and management consulting experience. Prior to joining Ailevon Pacific, he was Director of Route Development for the Massachusetts Port Authority with direct oversight of air service development for Boston (BOS) and Worcester (ORH). Prior to that role, Mark was a Principal Consultant for Sabre Airline Solutions, specializing in developing hub strategies, network planning & scheduling, and airport infrastructure planning. In that position, Mark led diverse international consulting engagements key to aviation development in China, Europe, India, Mexico, and the Middle East.

He spent the first half of his career with Delta Air Lines where he was head of the Airport Resource Planning & Schedule Integration team and held a wide range of roles in Network Management and Operations Planning. Mark also previously served as Vice President of Air Service Development for the Chattanooga (CHA) Metropolitan Airport Authority. He holds a Bachelor of Science in Aviation Management from Jacksonville University and Master of Business Administration in International Business from Georgia State University.

"Mark has very diverse aviation industry experience across commercial and operations planning, has led consulting projects throughout the world, and is truly dedicated to bringing value and satisfaction to his clients," said Oliver Lamb, Managing Director.

"We are very excited to add Mark to the Ailevon Pacific team," added Brad DiFiore, Managing Director. "He brings a deep knowledge of the complexities of hub airports while, at the same time, has been successful guiding smaller and developing aviation markets. His recent experience in COVID-19 recovery planning for Massport is something that all of our clients can benefit from."

Ailevon Pacific Aviation Consulting is an aviation industry consulting firm, providing advice to Boards, CEOs, Business Development Managers, and other senior managers to help define strategy, identify new opportunities, and build better businesses. Serving over 50 airports and related entities throughout the Asia Pacific region, the Americas, Europe, and beyond, Ailevon Pacific provides tailored, innovative, and highly insightful analysis to our clients. Across these geographies, Ailevon Pacific has worked with leading airports, tourism bodies, national, state/provincial and local governments, and other private and public sector clients.
