

Ailevon Pacific Welcomes Aboard Ben Marwitz

Atlanta, GA., September 18, 2023 – Ailevon Pacific Aviation Consulting, LLC is pleased to announce that Ben Marwitz has joined our team of leading aviation consultants.

Ben has nearly a decade of aviation expertise as part of the Air Service Development team at Denver International Airport (DEN). At DEN, Ben created and helped present hundreds of airline business cases to network planners. Additionally, he helped chart out DEN's facility growth requirements by creating the airport's 30-year passenger forecasts. Before joining the aviation world, Ben was a portfolio manager in the investment world.

“We are excited to add Ben to our industry-leading team of analysts.” said Oliver Lamb, Managing Director, “Ben brings a valuable airport perspective on Air Service Development to our organization.”

Added Brad DiFiore, Managing Director, “As we continue to grow Ailevon Pacific, Ben will help ensure that we have the skills and experience to support our clients at the highest level. We are thrilled he is joining us.”

Ben has a Bachelor of Science in Finance from University of Colorado at Boulder. He resides in Denver and is a passionate recreational cyclist.

Ailevon Pacific Aviation Consulting is an aviation industry consulting firm, providing advice to Boards, CEOs, Business Development Managers, and other senior managers to help define strategy, identify new opportunities, and build better businesses. Serving over 50 airports and related entities throughout the Asia Pacific region, the Americas, Europe, and beyond, Ailevon Pacific provides tailored, innovative, and highly insightful analyses to our clients. Across these geographies, Ailevon Pacific has worked with leading airports, tourism bodies, national, state/provincial and local governments, and other private and public sector clients.
